

Pregramme des sessions

4-6 févr. 2026

BridgeQG Workshop - Bridging High-Energy Astrophysical Modelling and Lorentz Invariance Violation Studies

Introduction

LAPP, Auditorium

mer. 4 février

09:00

Introduction

Session | Site: LAPP, Auditorium

09:00 – 09:10

Welcome and workshop presentation**Orateur**

Dr Sami Caroff

09:10 – 09:40

Introduction on Quantum Gravity / Lorentz Invariance Violation theory and BridgeQG cost action**Orateur**

Giulia Gubitosi

09:40 – 10:10

General talk on LIV and source intrinsic effects**Orateur**

Tomislav Terzić

10:10 – 10:30

Discussion

10:30
