

Pregramme des sessions

21–25 sept. 2026

Colloque GANIL 2026

Heavy ion Collisions

jeu. 24 septembre

15:00

Heavy ion Collisions

Session

15:00 – 15:25 **Invited talk**

Orateur

Caterina Ciampi

15:25 – 15:45 **Constraining the nuclear equation of state with heavy-ion collisions at GANIL**

Orateur

Dr Diego Gruyer

15:45 – 16:05

Measurement of the Hoyle state radius using single and mutual excitation inelastic scattering

Orateur

Ilham DEKHISSI

16:05
