

When/where new ideas come from?
We need to cross borders, in all senses!

When/where new ideas come from?
We need to cross borders, in all senses!

When/where new ideas come from?
We need to cross borders, in all senses!

Geneviève does this brilliantly!

Friends and collaborators (guess who is next to Geneviève?)

Friends and collaborators (guess who is next to Geneviève?)
Right, Sasha + Tania!

And there are many more of us who are very happy to be your friends and collaborators!

Now you have even more freedom for physics!

Happy new ideas, friends,
collaborators and new borders, Geneviève!
