A photograph of two hikers standing on a trail in a mountainous area. The hiker on the left is wearing a blue t-shirt and khaki shorts, and the hiker on the right is wearing a red and white tank top and light-colored pants. They are standing in front of a lush green meadow with a small lake in the background. The background features steep, rocky mountain slopes under a clear blue sky. The text "Merci Geneviève !" is overlaid in white on the right side of the image.
