

Releasing and retracting a notice

The image shows the SVOM French Science Center portal. At the top left is the logo for fsc (SVOM FR Science Center). The navigation menu includes HOME, COLLABORATION, ONLINE UTILS, and API DEFINITIONS. On the top right, there are links for FAQ and a user profile icon. The main banner features the SVOM logo and the text 'French Science Center portal'. Below the banner, a 'Science' section is visible, with a sub-header 'Links to pages dedicated to the science of SVOM'. A list of links is provided, with 'Notices & Circulars' highlighted by a red box. Other links include iFSC-Tools, GRB Table, ECLGRM, and VTAC. On the right side of the page, there are several informational links: 'The Burst Advocates dedicated interface', 'SVOM public GRB records', 'SVOM notices and circulars', 'ECLAIRS/GRM pipeline runs', and 'VT Afterglow Candidates pipeline runs'.

Notice retraction

The screenshot shows the SVOM Notices & Circulars web interface. At the top left is the fsc logo (SVOM FR Science Center). Navigation links include 'SVOM Notices & Circulars', 'Public VOEvents archive', 'Aladin skymap', and 'Documentation'. A search bar contains 'sb26021102' with a 'Search' button and a 'Show missing' toggle. Below the search bar is a table with columns 'BURST_ID', 'INSERTION TIME (UTC)', and 'NOTICES'. The table contains one row for burst ID 'sb26021102' with insertion time '2026-02-11T19:25:16'. The 'NOTICES' column contains several buttons: 'grm-preliminary', 'grm-trigger', 'grm-refined', 'eclairs-preliminary', 'eclairs-wakeup', 'eclairs-refined', 'eclairs-grm_hr', 'not-slewing', 'mxt-initial', 'vt-candidate', and 'retraction'. The 'retraction' button is highlighted with a red box and a red arrow points to it from below. At the bottom left, there is a pagination control showing '10' rows and 'Showing rows 1 to 1 of 1'. At the bottom right, there is a page number '1'.
