

Urgent actions after an ECLAIRs trigger: LCO ToO procedure

Hands-on session

BA-F training workshop

Tools you'll need to do the exercises

1. LCOGT ToO website: <https://observe.lco.global/?limit=20>
2. Mattermost training camp workshop channel
<https://svack.lal.in2p3.fr/svom/channels/ba-f-training-camp-workshop> and reply into the LCO ToO:
hands-on channel (<https://svack.lal.in2p3.fr/svom/pl/qskisz5utprw9e3qzxd4buobfc>)
3. The googlesheet to report your results to the examiners:
https://docs.google.com/spreadsheets/d/1BO_iAO6oRQheOGvdnEaJOWijP4Tp3QiAhBjLrconces/edit?usp=sharing

You're exercises for the next hour

Case 1: Check Tstart of a LCO ToO request made for a SVOM burst?

1. Find 1 SVOM burst_ID for which a LCO observation was completed (use the LCO web interface)
2. Report its burst_id in the LCO ToO [google sheet](#) tab
3. Report the Tstart of the r-band/z-band of the observation in the LCO ToO [google sheet](#) tab
4. Report your actions in the mattermost BA-F training camp channel (reply to EP/Swift ToO: hands-on)

You're exercises for the next hour

Case 2: Create a manual LCO draft ToO request

1. Create a ToO request with the r-band filter (use the LCO web interface)
2. Report your proposal_name in the LCO ToO [google sheet](#) tab
3. Report your actions in the mattermost BA-F training camp channel (reply to EP/Swift ToO: hands-on)

DO NOT SUBMIT YOUR DRAFT. JUST SAVE IT

Questions? Lost? Ask the examiners ;)
