

# Working Group on the Interplay Between Collider and Flavour Physics ( “Second LHC/Flavor workshop” )

[twiki.cern.ch/twiki/bin/view/Main/ColliderAndFlavour](http://twiki.cern.ch/twiki/bin/view/Main/ColliderAndFlavour)

First meeting:

CERN, 03.–04.12.2007

Included:

dedicated Tools Group

## Topics of the Tools group:

- What are the wishes of the experimentalists? What do they need?
- Are all relevant flavor related topics covered yet?
- Is YOUR CODE/TOOL covered/included yet?
- Making the tools available for everyone
- Progressing with a coherent framework
- Model independent approaches
- ...

⇒ Your input is needed!

⇒ Contribute and make a difference!
