

30 YEARS OF STRONG INTERACTIONS:

A three-day meeting in honor of Joseph Cugnon and Hans-Jürgen Pirner

6-8 April 2011

workshop e-mail: conf@qcd.theo.phys.ulg.ac.be
workshop web site: <http://indico.in2p3.fr/event/30years>

We remind you that the deadline for registration to the above conference in honour of J. Cugnon and H.J. Pirner is approaching. We would appreciate if you could confirm that you will be coming as soon as possible, by registering at the address:

<http://indico.in2p3.fr/confRegistrationFormDisplay.py/display?confId=4358>.

Note that you can modify your registration later.

We would also appreciate a title and abstract for your talk. Talks will be either 20 or 30 minutes long.

Deadline for early registration: **March 1st**

Registration (<http://indico.in2p3.fr/conferenceDisplay.py?confId=4358>):

We would appreciate your registration (with the title of your communication and an abstract) by March 1st, 2011. In order to facilitate the organisation, participants are kindly requested to indicate date and time of their arrival, as well as the means of transportation, as soon as they have decided.

Payment of conference fee (bank transfer):

The 50 € fee is to be paid before March 1st by bank transfer to the account:

Patrimoine de l'Université de Liège "A three-day meeting"

IBAN : BE16 3401 5580 5074

BIC : BBRUBEBB

with your name as communication.

Reservation of accommodation (n.vertommen@solcress.be):

The deadline for reservations is March 1st, 2011. Later reservations will be accepted subject to room availability. Payment has to be done directly at Sol Cress. You will need to send a credit card number to guarantee the reservation, either by e-mail, or by fax (+32-87 77 48 93). The lodging fee, including all meals for two days, is **260 € for single occupancy or 220 € per person for double occupancy**. There is also the possibility of coming only 1 day, for 130 € (single) or 110 €/person (double). It is also possible to stay longer, and you should also contact N. Vertommen to arrange an extended stay.

Abstract submission:

We are using the in2p3 indico system, so you first have to create an account for yourself: <http://indico.in2p3.fr/confUser.py?confId=4358> and then click on "submit a new abstract", log in, and enter the abstract. We will attempt to group the talks according to energy, from 0 MeV to the Planck Mass. Talks about physics beyond the Planck mass are not encouraged.
