

30 years of strong interactions: a three-day meeting in honor of Joseph Cugnon and Hans-Jürgen Pirner

vendredi 8 avril 2011

Neutrino physics (11:30 - 12:30)

-Présidents de session: David d'Enterria

time	[id] title	presenter
11:30	[16] Why neutrinos are different	Prof. FRERE, jean-marie
12:00	[30] Phenomenological aspects of loop-induced neutrino masses	ARISTIZABAL, Diego
