

2011 BASP Frontiers Workshop

mardi 6 septembre 2011

RI / Direction dependent effects in radio interferometric imaging (08:30 - 10:10)

time	[id] title	presenter
08:30	[17] Synthesis Imaging in Radio Astronomy - Imaging in the presence of direction dependent effects	Dr BHATNAGAR, S.
09:20	[18] Calibrating and correcting direction-dependent effects in radio interferometric observations	Dr SMIRNOV, O.
09:45	[19] Synthesis-imaging in radio astronomy - Reconstructing spatial and spectral structure of an astronomical source	Dr RAU, U.
