RI / Sparsity and sampling in radio interferometric imaging (08:30 - 10:10)

time	[id] title	presenter
08:30	[42] Radio interferometric imaging with compressed sensing	Dr MCEWEN, J.
08:55	[43] The applications of compressive sensing to radio astronomy	Dr LI, F.
09:20	[44] Prospects for Compressed Sensing Reconstruction in Rotation Measure Synthesis	Dr SCAIFE, A.
09:45	[45] A Measurement Set Data Model	Dr VIALLEFOND, F.
