

# 2011 BASP Frontiers Workshop

## lundi 5 septembre 2011

### MRI / Magnetic resonance imaging of the brain I (08:30 - 10:10)

time	[id] title	presenter
08:30	[5] The impact of neuroimaging on neuroscience	Prof. FRACKOWIAK, R.
09:20	[6] Diffusion MRI imaging for brain connectivity analysis - principles and challenges	Prof. THIRAN, J.-Ph.
09:45	[7] Decoding fMRI functional connectivity - pattern recognition on a restricted class of graphs	Dr RICHIARDI, J.
