

European Physical Society

PRIZE

In recognition of his outstanding contributions, the 2011

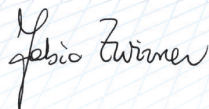

Gribov Medal

is awarded to

Davide Gaiotto

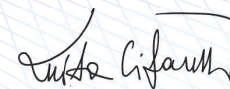

for the uncovering of new facets of the dynamics of four-dimensional supersymmetric gauge theories. In particular, for discovering a large class of four-dimensional superconformal theories and for finding with others important intricate relations between two-dimensional theories of gravity and four-dimensional gauge theories

Prof. Fabio Zwirner

A handwritten signature in black ink, reading 'Fabio Zwirner'.

Chair HEPP Division

Prof. Luisa Cifarelli

A handwritten signature in black ink, reading 'Luisa Cifarelli'.

President EPS

July 2011, Grenoble, France
