30 mars 2012

**Workshop on Photon Physics and Simulation at Hadron
Colliders**

Direct photon measurements at hadron colliders

ven. 30 mars

09:45

Direct photon measurements at hadron colliders

Session | Site:

09:45 - 10:10 Direct photons at Tevatron**Orateurs**

Dr Costas Vellidis, Dr Costas Vellidis

10:10 - 10:30 Coffee break**10:30 - 10:55 Direct photons at ATLAS****Orateur**

Dr Marco Delmastro

10:55 - 11:20 Direct photon at CMS**Orateur**

Philippe Gras

11:20 - 11:40 Constraints on the gluon PDF from collider photon data**Orateur**

David d'Enterria
