

# Mini Workshop on neutrino indirect detection of Dark Matter

## mardi 13 décembre 2011

### Discussion between the experiments: (backg. MCs, limit setting, systematics, plots...) (09:30 - 10:30)

time	[id] title	presenter
09:30	[5] SUSY scans in IceCUbe	

### Discussion between the experiments: (cont.) (11:00 - 13:00)

time	[id] title	presenter
11:00	[4] Systematics in ANTARES DM analysis	M. LOUCATOS, Sotiris

# mercredi 14 décembre 2011

**Discussion between the experiments: (common issues: parameter scans, limits...) (14:15 - 16:15)**

**Discussion between the experiments: (comparison with other experiments. Discussion with S. Muanza, ATLAS) (16:35 - 18:00)**

time	[id]	title	presenter
16:35	[2]	SUSY searches at LHC	Dr MUANZA, Steve
