

Joint workshop of the France Japan and France Korea Particle Physics Laboratories (TYL-FKPPL)

lundi 28 mai 2012 - mercredi 30 mai 2012

Université Blaise Pascal

Programme Scientifique

The workshop program builds mainly upon the projects currently active within the two International Associated Laboratories. All will be presented in plenary session as short contributions.

On May 29th afternoon, a session will be dedicated to more general talks related to research infrastructures and scientific policies.
