

International Workshop on "Muon and Neutrino Radiography 2012"

jeudi 19 avril 2012

Applications of muon imaging in geophysics, archeology, civil and industrial engineering (14:00 - 14:40)

-Présidents de session: Hiroyuki Tanaka

time	[id] title	presenter
14:00	[6] Application of Muon Geotomography to Mineral Exploration	LIU, Zhiyi
14:20	[76] Pyramids: a case study for muon tomography	M. AUBOURG, Eric
