

Rencontres de Physique des Particules

mercredi 16 mai 2012

Beyond the Standard Model - Salle des actes, bât. 7 (09:30 - 11:00)

time	[id] title	presenter
09:30	[14] Physics beyond the Standard Model (review talk)	Dr DUDAS, Emilian
10:10	[26] LHC phenomenology of general $SU(2)\times SU(2)\times U(1)$ models	M. JEZO, Tomas
10:35	[45] Ultraviolet clues from infrared fingerprints	M. URBANO, Alfredo

Beyond the Standard Model - Salle des actes, bât. 7 (11:30 - 12:45)

time	[id] title	presenter
11:30	[20] Baryon and lepton number violation at the LHC	Dr SMITH, Christopher
11:55	[4] Unlocking the Standard Model : the 1-generation case	Dr MACHET, Bruno
12:20	[54] Indirect dark matter signals and backgrounds in cosmological simulations	Dr NEZRI, Emmanuel
