

Photon 2013

mardi 21 mai 2013

Low energy photon experiments, vacuum polarisation and light-by-light scattering - 12-22 RC08 (14:00 - 16:25)

-Présidents de session: François Couchot

time	[id] title	presenter
14:00	[195] A sum rule for charged elementary particles	Dr SANCHEZ-SOTO, Luis L.
14:30	[176] FLOWER: test of stochastic fluctuations of the speed of light	Dr SARAZIN, Xavier
14:55	[177] Light-by-light scattering in intense lasers	Dr KING, Ben
15:25	[178] CAST and the axion-photon coupling	Dr FERRER RIBAS, Esther
15:55	[179] Vacuum Magnetic Birefringence	Prof. RIZZO, Carlo
