

Scattering and annihilation electromagnetic processes

mardi 19 février 2013

Nucleon Models in SL and TL regions II (14:30 - 17:00)

time	[id] title	presenter
14:30	[12] Soliton models	Dr DRAGO, Alessandro
15:15	[13] The light front constituent quark model and the EM properties of the nucleon	Prof. SALMÈ, Giovanni
16:00	Coffee break	
16:30	[14] From DIS to e+e- annihilation	Prof. RADICI, Marco
