

AtmoHEAD: Atmospheric Monitoring for High-Energy Astroparticle Detectors

Monday, June 10, 2013

Special Seminar (9:45 AM - 10:45 AM)

-Conveners: Ryan Chaves

time	[id]	title	presenter
9:45 AM	M19	From the Utah desert to the international space station: The evolution of atmospheric monitoring for astroparticle physics detectors	WIENCKE, Lawrence
