

Mini-workshop on two-pion production in the HADES and WASA experiments

jeudi 4 avril 2013

Talk session IV - 015 (09:15 - 12:45)

time	[id] title	presenter
09:15	[10] "Chiral symmetry restoration in double-pion production"	KUKULIN, Vladimir
09:55	[11] $pn \rightarrow d\pi^+\pi^-$ and $pn \rightarrow de+e^-$ reactions studied with HADES	KUC, Hubert
10:35	coffee break	
11:05	[9] "Double-Pionic Fusion to Helium nuclei studied with WASA"	PEREZ DEL RIO, Elena
11:35	[12] Partial wave analysis of pion-induced reactions: 2π production.	SHKLYAR, Vitalyi
