

Probing the Strong Interaction at A Fixed Target Experiment with the LHC beams

ID de Contribution: 15

Type: Non spécifié

**First simulations with a LHCb-like forward detector  
for AFTER (30'+5')**

*mercredi 15 janvier 2014 09:05 (35 minutes)*

**Orateur:** YANG, Zhenwei (Center for High Energy Physics, Tsinghua University)

**Classification de Session:** Connexions with other projects
