

Session Program

23–27 sept. 2013

**SRF 2013 - 16th International Conference on RF
Superconductivity**

WEIOC

Paris, Maison Internationale
Cité Internationale Universitaire

mer. 25 septembre

10:45

WEIOC: Basic R&D New materials - Multilayers, MgB2 - II

Session | **Site:** Paris, Maison Internationale, Cité Internationale Universitaire | **Convener:** Jens Knobloch

10:45 – 11:05 WEIOC01 - High Resolution Surface Resistance Studies

Orateur
Sarah Aull

11:05 – 11:25 WEIOC02 - Activities on SRF Multilayers at Orsay / Saclay

Orateur
Cedric Baumier

11:25 – 11:45**WEIOC03 - Atomic Layer Deposition of Thin Superconducting Films and Multilayers: Coupons and Cavity Tests**

Orateur
Thomas Proslier

11:45 – 12:05 WEIOC04 - Theoretical Field Limits for Multi-Layer Superconductors

Orateur
Sam Posen

12:05
