

SRF 2013 - 16th International Conference on RF Superconductivity

mercredi 25 septembre 2013

WEIOB: Basic R&D New materials - Multilayers, MgB2 - I - Maison Internationale (09:35 - 10:15)

-Présidents de session: Vincenzo Palmieri

time	[id] title	presenter
09:35	[35] WEIOB01 - Status of MgB2 Coating Studies for SRF Applications	TAJIMA, Tsuyoshi
09:55	[36] WEIOB02 - Proof of Concept Thin Films and Multilayers Toward Enhanced Field Gradients in SRFCavities	LUKASZEW, Rosa A.
