

# ICFA Neutrino European Meeting

## mercredi 8 janvier 2014

### CP Violation and Mass Hierarchy - Amphi Buffon (14:00 - 16:00)

-Présidents de session: Michele Maltoni

time	[id] title	presenter
14:00	[29] CP violation and oscillation parameter precision measurements ()	M. FERNANDEZ MARTINEZ, Enrique
14:30	[30] Status and prospects for atmospheric neutrino experiments in view of MH determination	Dr KOUCHNER, Antoine
15:30	[31] How to assess MH statistical significance in future projects	Dr BLENNOW, Mattias
