

Cosmic rays & their interstellar medium environment CRISM-2014

mardi 24 juin 2014

The cosmic ray spectrum: Direct detection and cosmic ray databases (16:20 - 17:35)

-Présidents de session: Isabelle Grenier

time	[id] title	presenter
16:20	[19] Direct detection of cosmic rays: Recent observational progresses	Dr DEROME, Laurent
17:05	[77] A database of charged cosmic rays (CRDB) and constraints on the interstellar flux	M. MAURIN, David

The cosmic ray spectrum: The highest energies of the galactic component (17:35 - 18:05)

-Présidents de session: Isabelle Grenier

time	[id] title	presenter
17:35	[20] The highest galactic cosmic ray energies	Dr ALLARD, Denis
