提交 Submit

conference id

# Tutorial format

---

Morning: 9h-11h30    Afternoon: 13h30-17h+

Presentation of concepts of DIRAC and immediate practice

Increasing complexity

Very focused on hands-on practice: you are encouraged to do the proposed exercises

Intended to be very interactive: don't hesitate to ask questions to the experts

# Tutors

---

## **Andrei TSAREGORODTSEV**

Center for particle physics of Marseilles, France

<http://marwww.in2p3.fr>

## **Vanessa HAMAR**

IN2P3 computing centre, Lyon, France

<http://cc.in2p3.fr>

# Lunch break

---

11h30 - 13h30

IHEP personnel can go to the campus restaurant

On-campus expert restaurant is also a possibility
