Introduction to BICEP2 B modes results

mercredi 19 mars 2014 18:25 (10 minutes)

This short presentation was prepared on the spot to introduce to the audience the recent results from Bicep2, which were made public 2 days before this talk and in which the author has had no part (and hence should not get credit from !), and their context.

Orateur: Dr PERDEREAU, olivier (Laboratoire de l'Accelérateur Lineaire)

Classification de Session: Standard Model Physics & Cosmology
